* WLTP data currently being approved. Minimum - maximum mixed WLTP CO₂ emissions on the engine. The CO₂ emissions from the vehicle depend on the version selected as well as the options on the vehicle.

**Dealer delivery related charges, metallic paint and tyre recycling levy not included.

***Includes SEAI grant and VRT rebate & Dealer delivery related charges, metallic paint and tyre recycling levy not included.

(1) The CO₂ emissions entered are mixed and expressed in grams per kilometre. The fuel consumption and CO₂ emission values provided comply with WLTP approval (EU regulation 2017/948). Since 1 September 2018, new vehicles are approved on the basis of the worldwide harmonised light-duty vehicles test procedure (WLTP), which is a new, more realistic test procedure to measure fuel consumption and CO₂ emissions. This WLTP procedure fully replaces the New European Driving Cycle (NEDC), which was the previous test procedure. As the test conditions are more realistic, the fuel consumption and CO₂ emissions measured according to the WLTP procedure are, in many cases, higher than those measured according to the NEDC procedure. The fuel consumption and CO₂ emission values may vary depending on specific equipment, options and types of tyres. Contact your point-of-sale for more information. More information on www.peugeot.ie

STANDARD EQUIPMENT

Range

SAFETY

6 Airbags

Auto-adaptive front, lateral front, front & rear curtains

Front (x2) and rear (x3) height adjustable headrests

ESP Disconnectable with slope start aid and detection of indirect under-inflation

ISOFIX and Top Tether fasteners on rear side seats

Pneumatic troubleshooting Kit

12 V compressor with clogging cartridge

3-claws LED rear lights

ADVANCED SAFETY

Safety Pack

Cruise Control / Speed Limiter

Automatic emergency braking with collision warning,

Active alert of unintentional crossing of line and aisle,

Extended traffic sign recognition and speed recommendations,

Driver attention alert

INTERIOR AESTHETICS

Black cabin and roof lining

COMFORT

Automatic air conditioning with Pollen and Carbon activated filters

Electrical front and rear window lifters, sequential and anti-tapping

Visibility Pack

Low beam automatic lighting

Auto release windscreens wiper

Outdoor lighting for reception and accompaniment

Images for illustration purposes only

STANDARD EQUIPMENT

UPHOLSTERY & SEATS

1/3 - 2/3 folding bench

Driver's seat with manual height adjustment

MULTIMEDIA & NAVIGATION

6 speakers

2 tweeters and 2 woofers on the front, 2 speakers on the back

ELECTRICAL SPECIFICITIES

7kW monophase on-board charger and a Mode 3 Type 2 cable for wall box charging

Pre-heating functionality

Peugeot Connect SOS & Assistance and Teleservices

SOS & Assistance: Automatic or manual emergency call by SOS push, and direct connection with the PEUGEOT support platform (24h/24 7d/7)

Images for illustration purposes only

ACTIVE TRIM

PEUGEOT i-Connect Advanced

PEUGEOT i-Connect Advanced⁽¹⁾ offers a complete technological experience with TomTom® connected navigation. For optimal readability, the card can be displayed on the entire 10-inch HD touchscreen and updated "live" (once a month). It is also fully and easily customizable with widgets, such as a tablet.

«OK PEUGEOT», a natural language speech recognition control, improves the safety and comfort of the user, and gives access to all the features. Finally, to help the user, PEUGEOT i-Connect Advanced offers embedded documentation and tutorials.

(1) Available as an option or unavailable depending on the version.

DRIVE ASSIST PLUS Pack

The Drive Assist Plus Package⁽¹⁾ allows you to manage driving semi-autonomously. With the track positioning system⁽²⁾ and adaptive cruise control including the Stop & Go⁽³⁾ function, it automatically adjusts the speed of the vehicle to that of the one preceding it, maintaining a safe distance.

(1) Available in series, optional or unavailable depending on versions.

(2) A system for maintaining the position of the car chosen by the driver in the lane.

(3) A system based on radar in the centre of the front bumper and a camera at the top of the windscreen.
