

NEW PEUGEOT EXPERT ACCESSORIES

PEUGEOT

CHOOSE PEUGEOT QUALITY

Designed for professionals and by professionals, the PEUGEOT EXPERT range combines style, practicality, dynamism and innovation. A true work tool, efficient and suited to the job, its equipment is functional and practical. And that's where our accessories fit in too.

Whatever role your PEUGEOT EXPERT will play in your life, our accessories offer you a range of fantastic ways to make it as individual as your business is. Perhaps you want to extend your PEUGEOT EXPERT'S carrying capacity with a towbar or roof rack? Or to make for a smoother journey, why not add satellite navigation or a parking aid? You could even keep the contents of your van more secure by adding security grilles or an anti-intrusion alarm.

Every item is designed to fit perfectly in your PEUGEOT. There's no compromise on quality – a philosophy that has been adhered to in every aspect of the PEUGEOT EXPERT'S development. PEUGEOT Genuine Accessories have been chosen and specifically designed by our engineers for your PEUGEOT EXPERT. They are developed to a strict criteria of quality and safety, the accessories we offer in addition to this range are all selected by PEUGEOT from the best suppliers and meet the necessary safety, reliability and durability standards required.

Contact your local PEUGEOT Dealer for more information on our accessories range today.

The accessories marked with this symbol  are certified "PEUGEOT Genuine Accessories".

LOADING SOLUTIONS TAILORED TO YOU

There are a wide range of accessories designed to optimise the load capacity of your PEUGEOT EXPERT making it more flexible than ever before. As robust as they are quick to install our roof bars, roof racks and load rollers are specially designed to fit the dimensions of your PEUGEOT EXPERT.

1 Roof bars

These roof bars are an excellent foundation for the safe transportation of large and bulky loads.

Load Stopper

An essential for ensuring bulky loads stay in place. Loads on the roof rack both safe and easy.

Roof Rack

Designed and engineered to fit securely to the roof structure enabling the carriage of bulky cargo without compromising on safety.

Roof Rack Ladder

Provides easier access to items carried onto the vehicle roof rack.

Step Plate

An essential item which makes tying down loads on the roof rack both safe and easy.

Load Roller

Allows easier loading of ladders and other longer items onto the roof rack.

Internal Load Tunnel

The load tunnel allows you to store pipes and tubing of up to 80mm in diameter, in complete safety inside the vehicle. This is also an excellent security feature.

MEASURING UP YOUR AMBITIONS

Increase your load capacity with ease with our range of towing solutions to fit any weight and fitting.

Without hitch ball

Monoblock hitch with ball

Linkage with mixed hook

PROFESSIONAL INSIDE AND OUT

Personalise the inside of your PEUGEOT EXPERT with our range of interior accessories designed to maximise comfort and keep your van looking as professional as you are.

Leather Gear Knob

Lacquered black Gear Knob

Air freshener diffuser

Create an atmosphere with this portable diffuser that can be used with a range of delightful fragrance refills.

Aluminium Door Sill Protectors

A great accessory to protect against scuffs and scratches when climbing in and out of the van.

Wind Deflector

Increase ventilation into the cabin area whilst minimising wind noise and buffeting.

Front mudflaps

Designed to complement the style of the Expert whilst protecting the vehicle's bodywork from damage caused by road debris.

Rear mudflaps

Rubber mat

These mats will provide lasting protection of the original flooring. And, to prevent interference with the vehicle's pedals, the driver's side mat clips onto the existing fittings.

THE BEST OF TECHNOLOGY

For today's professionals, it is essential to always stay connected, always be prepared and seize new opportunities to gain efficiencies. With our range of multimedia accessories PEUGEOT can assist you in doing just that.

Tetrax Smartphone holder

A discreet fixing bracket that will securely hold an electronic mobile device. Compatible with most mobile phones, Smartphones, GPS systems and MP3 devices.

Hands-Free Kit

TomTom portable navigation system

The very latest in portable navigation from TomTom. No set-up or subscription charges – simply plug in, switch on and GO. These smart, easy-to-use navigation units

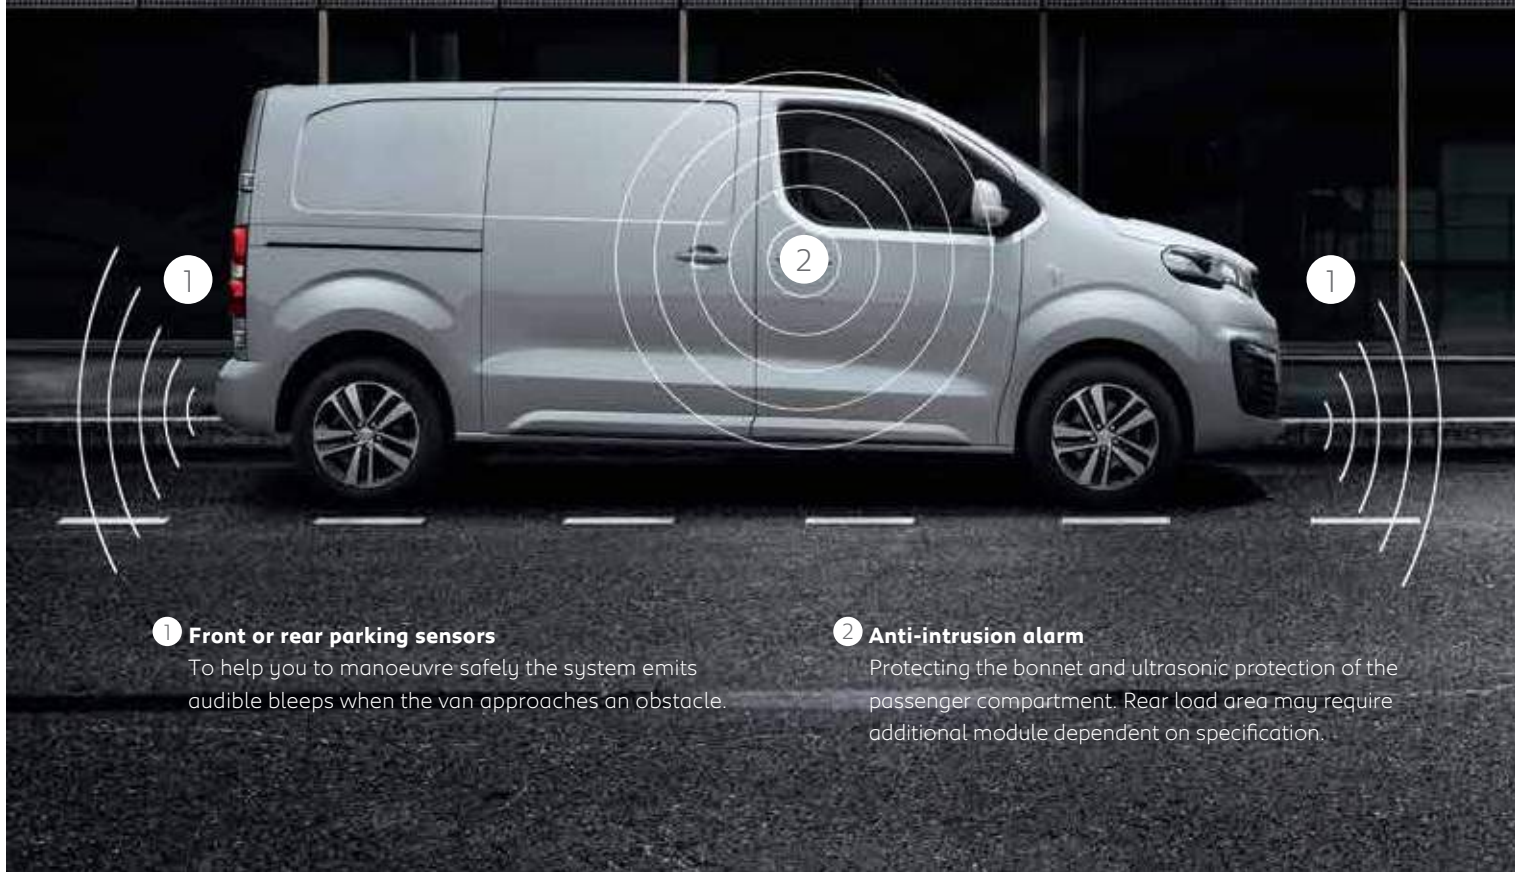

come pre-loaded with UK and Western Europeans mapping*, and include a screen mount and in-car power lead. Entering address details could not be easier thanks to the touchscreen operation and postcode navigation.

* Dependent on model

SECURITY AND SAFETY

Fog lights, locking wheel nuts or reinforced locks, safety and security is always front of mind for you and it is for us too. With our range accessories designed to keep you safe on the road and your contents safe in your van.

1

2

1

1 Front or rear parking sensors

To help you to manoeuvre safely the system emits audible beeps when the van approaches an obstacle.

2 Anti-intrusion alarm

Protecting the bonnet and ultrasonic protection of the passenger compartment. Rear load area may require additional module dependent on specification.

❄️ Snow sock

Essential for driving on fresh or compacted snow.

Seat belt cutter / glass breaker (key)

Facilitates the exit of the vehicle in an emergency.

Reflective strips

These can be fitted to your van by our trained technicians.

❌ Anti-theft wheel bolts

Reduces the risk of theft of both alloy and steel road wheels.

Rear door locks

Reduces the risk of theft by adding reinforced steel plates to your original door locks.

Fog light kits

These fog lights increase visibility enabling you to see and be seen. At this low level they help penetrate the fog, illuminating the road ahead so you can drive safely.

Nomad emergency signaling lamp

High visibility vest, warning triangle and first aid kit

Be prepared for unexpected emergencies with our range of road safety accessories. All items are available individually.
